MANAGEMENT DESK

President's Desk

K Vasudeva

Education is the basis of all progress. It is for this very reason that we forayed into education more than a two decades and half year ago. This experience has taught us the progress is only possible if education is not restricted to imparting bookish knowledge but to inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability in a student.

At SVR, our staff is well equipped to keep the student up to date with latest tools and techniques to evolve into a successful human being. Student work in a vibrant progressive environment.

When you join us, you will study in a dynamic, global academic environment. Our institution and the city of Bangalore will offer state of the art facilities that will ensure an exciting and fulfilling learning experience.

Secretary's Desk

Prof. Amaravathi

Life poses innumerable challenges and the goal of education is to help one to successfully brave through the rough seas of struggle, strife and hurdles. The strength of character develops in this institution hold good for the rest of ones's life. A student is made to blossom intellectually, aesthetically, morally, and spiritually.

He/she is made not only professionally perfect but also morally sound to follow the path of truth and taste the nectar of success in life.

School Profile

A Progressive Learning Journey

At SVR Chinmaya School, we provide a comprehensive educational pathway that nurtures every child's potential through an innovative, holistic, and progressive curriculum. Our school is structured into distinct sections that address the developmental needs of students at every stage of their journey:

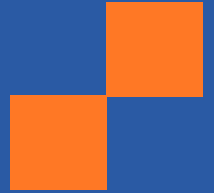

Vision

“Envisioning a community where SVR Chinmaya School nurtures young minds to embrace diversity, cultivate curiosity, and lead with empathy, preparing them to thrive in a rapidly changing world.”

Mission

- 01** Provide a nurturing environment for academic excellence.
- 02** Cultivate ethical leadership and personal development.
- 03** Implement a dynamic curriculum and innovative teaching methods.
- 04** Foster critical thinking, creativity, and social responsibility.
- 05** Inspire a passion for lifelong learning among students.
- 06** Instil values that enable thriving in a diverse, evolving world.

Academic Programs

01 Pre-Primary (LKG to Class 2)

“Where Curiosity Blooms”

In our Pre-Primary section, we ignite the spark of curiosity and foster creativity through play-based learning. Here, children are encouraged to explore, imagine, and engage with the world around them in a safe and joyful environment.

Key Activities:

- Dance: Freestyle dance classes that foster movement, expression, and joy, allowing children to develop confidence and coordination.
- Interactive Storytime: Develops language and listening skills through engaging stories and fun discussions.
- Art and Craft: Encourages creativity and fine motor skill development through hands-on activities.

02 Primary (Class 3 to 5)

“Building the Foundation for Brilliance”

Our Primary School cultivates academic rigor while encouraging children to explore their innate talents. With an emphasis on critical thinking, students develop a love for learning through both academic subjects and enriching co-curricular experiences.

Key Activities:

- Karate: Builds discipline, focus, and physical fitness through martial arts, empowering students with self-defense skills.
- AI & Robotics: Introduces students to the exciting world of technology and automation, encouraging logical thinking and problem-solving.
- Keyboard or Theatre Skills: Students in Grade 3 and above can choose between learning a musical instrument (Keyboard) or honing their acting abilities through theatre classes, fostering creativity and self-expression.

03 Mid School (Class 6 to 8)

“Expanding Horizons, Shaping Innovators”

In the Mid School Section, academics take center stage as we prepare students for higher learning through a carefully structured and rigorous curriculum. Emphasizing intellectual independence and critical thinking, our program integrates innovative teaching methodologies, standardized assessments, and co-curricular activities to foster a well-rounded learning experience.

Academic Excellence

Our academic program is designed to bridge knowledge gaps, enhance core subject understanding, and promote analytical thinking.

Key Features of the Academic Program:

- **Personalized Learning:** We use GAP Analysis Tests to identify each student's strengths and areas for improvement, ensuring targeted interventions and enhanced learning outcomes.
- **Standardized Assessments:** Regular evaluations and GAP Tests help students benchmark their performance and measure their growth in critical areas.
- **Subject Mastery:** Core subjects like Mathematics, Science, and Languages are taught with an emphasis on practical applications and conceptual clarity, preparing students for high school challenges.
- **Performance Tracking:** Comprehensive report cards include grades, detailed feedback, and growth analysis, enabling parents to track their child's academic progress.
- **Karate:** Continued training with belt exams that motivate students to push their limits and gain recognition for their progress.
- **AI & Robotics:** A deeper dive into the world of artificial intelligence and robotics, where students engage in projects and learn to design and build simple robots.
- **Dance:** Continued freestyle dance classes where students explore complex routines and choreographies, improving coordination and expression.

04 High School (Class 9 and 10)

"Excelling Academically, Preparing for the Future"

In High School, our primary focus is on academic excellence, equipping students with the skills and knowledge needed to excel in their CBSE Board Exams and beyond. Our meticulously crafted curriculum emphasizes critical thinking, time management, and independent learning.

Academic Excellence

High School is a pivotal stage where students transition into advanced learners capable of achieving their full potential.

Key Features of the Academic Program:

GAP Tests and Standardized Assessments: Regular assessments are conducted to identify and address learning gaps, ensuring every student is well-prepared for their board exams and competitive challenges.

Continuous Revisions: Our structured revision schedules and periodic mock exams solidify concepts and boost confidence for the board examinations.

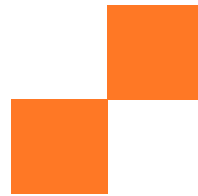

Performance Monitoring: Detailed performance tracking and individual feedback ensure steady academic progress.

Competitive Preparation: Exposure to national-level exams and other standardized tests helps students benchmark themselves and develop a competitive edge.

Holistic Enrichment

Despite the strong emphasis on academics, High School students engage in co-curricular activities to maintain a balanced approach to personal development. Programs such as AI & Robotics, Karate, and periodic Keyboard or Theatre Skills workshops encourage creative expression, innovation, and physical fitness. These activities ensure that students grow into well-rounded individuals ready to take on the challenges of the future.

Admission & Selection Process

Admission Requirements

- 01** Complete the Admission Enquiry form available at the Admission counter by providing personal information, contact details and academic history.
- 02** Submit transcripts from the most recent school attended, including birth certificate, Transfer certificate, Aadhaar of child and parents, Report cards and Standardized test scores.
- 03** Fill in the Application form available at the Accounts counter.

Selection Process

Step 1
Academic
Evaluation

All applicants undergo a thorough academic evaluation. This includes a review of their transcripts, GPA, standardized test scores, and any advanced coursework or honors classes taken.

Step 2
Standardized
Testing

Applicants are required to take a standardized test, which may include assessments in math, language arts, and critical thinking. Test scores are used to assess academic readiness.

Step 3
Interview

Shortlisted candidates along with parents are invited for a one-on-one interview with a faculty member or admissions counselor. The interview assesses the student's interpersonal skills, interests, and alignment with the school's values.

Step 4
Final Review
and
Selection

The admissions committee conducts a final review of all application materials, considering academic performance, test scores and interview results. Admissions decisions are made based on this holistic evaluation.
